

**FLOORPLAN WITH ONE WAY SYSTEM TO
HELP MAINTAIN SOCIAL DISTANCING**

FIRST FLOOR

GROUND FLOOR

**WE HOPE THAT YOU ENJOY YOUR VISIT
TO THE HIGGINS BEDFORD TODAY**

Here are a few requests to help us ensure your safety and that of our staff and volunteers:

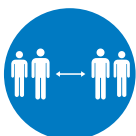

Please wear a face covering at all times when you are in the museum and shop for your safety and that of others.

Please follow the one-way system as set out on the floorplan. There are a couple of areas on each floor where passing places make 2 metre social distancing difficult. Please pause and wait for others to pass.

The number of visitors has been reduced through pre-booking so that social distancing can be maintained. You are welcome to stay as long as you like.

Please observe 2 metre social distancing throughout the building.

We have removed interactives, toys and information folders from the galleries to reduce handling and the risk of spreading infection. Further information about the collections can be found by scanning the QR codes on cases or on our website www.thehigginsbedford.org.uk

Large print guides for the art exhibition are available from the front desk, folders will be quarantined after use.

We ask you not to touch glass display cases or objects on open display.

Customer toilets and hand washing facilities are located on the ground floor at the end of the Settlement Gallery and by Sir William Harpur Gallery and on the first floor in the Harpur Studio. All toilets are operating on a one in, one out system.

Hand sanitiser is available at the entrance, exit and in toilet areas.

The frequency of cleaning touch points and toilets has been increased and will take place throughout the day.

Please exit through the Settlement Gallery and not through the Foyer.

Please enter the shop through the main entrance. Please only handle goods that you intend to buy. Payment is by card only (the limit for contactless transactions is currently £45).
